AMENDMENT**

The Laws of Minnesota 2015, First Special Session, Chapter 2, Article 2, Section 7(e), appropriated Clean Water Fund (CWF) funds to the Board of Water and Soil Resources (BWSR) for grants to local units of government to enhance compliance with riparian buffer or alternative practice requirements.

The funds are being used by Fillmore SWCD to provide technical assistance to landowners to identify where buffers may be needed along public waters in Fillmore County. Advice regarding appropriate seeding mixes, maintenance and other technical assistance will be provided as needed. The Fillmore SWCD will work with the County Zoning Department on non-compliant parcels by providing technical assistance to landowners. A Monitoring plan was adopted by the SWCD Board which will be utilized in completing compliance checks.
